**These are the last Confidence Classes offered this season. They will return in Spring of 2018.

NOTE Depending on demand, either Intermediate Obedience, Confidence Building, or Canine Good Citizen, will run during the dates/times listed. Please let Ashleigh know as soon as possible which class you are interested in. You will be contacted closer to the class date as to what class will be held. Since the Confidence Class is held outdoors the dates/times it is offered is limited.

DOG OBEDIENCE TRAINING

INTERMEDIATE OBEDIENCE

Take your dog's training to the next level with Intermediate Obedience. Learn how to get your dog to focus on you and come to you with lots of distractions while your dog builds on already-learned skills. Graduates of Beginning Obedience or dogs that have passed an assessment test may enter this class. This is a 4-week class.

CANINE GOOD CITIZEN

This class is designed to teach you how to teach your dog to be a good citizen in the community. Most of your dog's learning will be at home as the two of you work together every day. Ashleigh will spend each class teaching the 10 skills needed to pass the Canine Good Citizen test. She is a Canine Good Citizen Test evaluator and can offer the official AKC test for an additional fee upon graduation.

CONFIDENCE BUILDING

Help your dog gain confidence while you have fun teaching your dog to conquer a variety of obstacles. The more dogs learn, the more confidence and trust they place in their human. Dogs must have completed a Beginning Obedience class before enrolling in this course. This is a 4-week course.

DOG TRAINING CLINICS

Dates and Times Below / \$30 / Dog Spot @ Fluvanna Community Center

Training clinics are designed to help people learn how to teach basic skills to their dogs. Clinic I is a prerequisite to taking Clinic II, Clinic III & IV unless you have trained with Ashleigh previously. You can choose which clinics you attend, or attend all of them.

Clinic I: Sept 14 Thursday 10 - 11am

- **WITHOUT DOGS** - no you didn't read that wrong. This Clinic is designed so that the 2-legged students can get up to speed on positive reinforcement and how to use it to meet your training goals. Since you are your dog's primary trainer it is a must for you to understand how to communicate with them to help them grow into the canine companion that you want them to be.

Clinic II: October 17 Tuesday 3:30 - 4:30pm

- Look, sit, come, stay and wait. (Perfect for teaching the dogs not to dash out the door.)

Clinic III: November 21 Tuesday 3:30 - 4:30pm

- Look, sit, come, down and settle.
(Ideal for having the dogs chill while company is over.)

Clinic IV: December 6 Wednesday 10 - 11am

- Look, sit, come, leave it and drop it. (A must if the dog snags an item they shouldn't have!)

For more information or questions please contact Alyson Pieno at (434) 589 - 2016 or apieno@fluvannacounty.org.
